

Committee Meeting

Pack 854, February 22, 2011

Pinewood Derby

District Pinewood is May 21st and we want to make sure and have ours early enough to be ready for that, but late enough not to mess up cars in between.

Our proposed date is **May 7 from 2-4p** This will be a non-food event

April 5th—Down and Derby movie from 6:30-8:00 in lieu of den meetings.

April 12- Regular den meetings (Benchmark tests are this week and we want to leave meeting times to be flexible for each den)

April 19 and 26—workshop nights for pinewood cars

Aquanaut Pin earning for Webelo

John is checking with the Jones Center about using the pool to earn the aquanaut pin. If it is not a place we can use, Rob will call the HPER for rates.

Crossover Night

March 29 will be the Webelo Cross over

The Webelo parents will be responsible for a dessert reception

Kenton is verifying with Troop 46 for their availability and will encourage any scout not joining that Troop to make necessary arrangements with another Troop or Scouting group.

Family Campout

Proposed dates are either April 15-17 or May 13-15

John will call to check on availability for these dates.

We are considering either Roger's Scout Reserve in Booneville or another place Ron knows about. Both would be free which is advantageous under our current budget constraints.
